

THE ORDER OF EVENTS

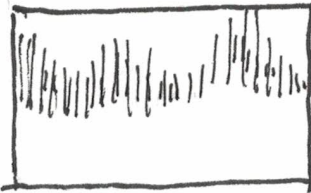

Make a value sketch and think about your composition

1. OBSERVE

Notice what draws your eye

PLAN

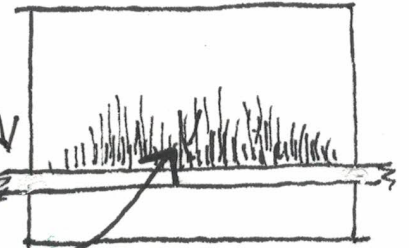

2.

Paint a juicy sky, wet-in-wet, that fits your plan. Use soft edges.

3.

Tape off the waterline on dry paper. Then wet paper above the tape to paint deciduous trees. Let colors mix on the paper (Try yellow-green-blue). Scratch trunks and branches or try thirsty brush.

4.

Add trunks and splatter

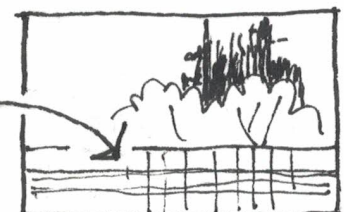

5.

Paint dark "forest curtain" Try using a sponge

6.

Remove tape. Wet paper below and pull reflected colors downward into the wash. Draw thirsty brush horizontally

7.

Mat it! Step back. Observe. Notice what draws your eye.
